

BIM Coordinator (maternity leave cover)

At Metroselskabet, we have embarked on an ambitious digital transformation journey. We are developing user-friendly and efficient digital solutions that support our internal work, collaboration with stakeholders, and the operation of the existing and future metro and light rail.

Do you want to be a part of this journey, where future construction projects integrate BIM/GIS? We are looking for a **BIM Coordinator** with experience in BIM and ISO 19650 for a **one-year fixed-term position** (maternity cover).

Your Role

As a BIM Coordinator, you will be a part of the BIM team, working closely with project managers, specialists, consultants, and IT staff to develop and implement BIM solutions across all project phases. A key task will be supporting the implementation of **Autodesk Construction Cloud**.

Field of Responsibility

- Assist the further development and **implementation of Autodesk Construction Cloud (ACC)**.
- Assist in adjusting the **BIM Execution Plan** to the Business' needs including the BIM Uses etc.
- Contribute to **BIM integration** across project lifecycles.
- Provide expert knowledge and **training** within the organization.
- Help develop new processes.

About you

- Strong collaborator and communicator.
- Structured, pragmatic, and solution oriented.
- Able to work independently.
- You can find the correct balance between the best technical/theoretical solutions and the practical applicability.
- Fluent in English (oral and written).

Qualifications

We are looking for a colleague who

- Has **extensive experience** with BIM.
- Has relevant education and/or professional background.
- Is **proactive and innovative** in digital BIM development.

We offer

A dynamic and independent role in an ambitious organization with great colleagues and **attractive employment terms**.

The deadline for applying is April 13, 2025. We conduct interviews on an ongoing basis.

For further information, please contact **Head of Digitalization and Technology Jannik Nisted Nipper** or **Team Manager Joe Rasmussen** on 3311 1700.
